

God, protect "Laipa",  
Our land, buildings and people  
We celebrate Christmas together  
We party, but we don't sleep

We do not live with Russia,  
Who is at war against Ukraine  
We will support and help  
May there always be peace in the countries.

Bells are ringing in Kalnciem  
in Riga, Jelgava and Salacgrīva,  
Merry Christmas  
And happy new year!
